SURVEYED BY

Clarence M. Stephens,

U. S. Deputy Mineral Surveyor.

April 10 - 1884.

The original Field Notes of the Survey of the Claim of Republic Mining Company, upon the Huston Lode Mill Site, from which this plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicants or their grantors, is not less than Five Hundred Dollars, and that said improvements consist of Disc. cut, two shafts and two log houses valued at \$1550.00

as appears by the report of the deputy surveyor and the testimony of two disinterested witnesses. And I further certify that this is a correct Plat of said Mining Claim, made in conformity with said original field notes of the survey thereof.
